INSIDE A BARELY LEGAL GIR

Hey! It's me, Lindsey. You guys, I want to officially thank you for writing in and telling me that I'm cute and hot. If you didn't do that sometimes. I would be the most insecure girl on the face of the earth.

I mean, think about what I do for a living: find the cutest, hottest girls in the world and have pretty pictures taken of them! How can I compete with Chloe's perky little boobs and Chanell's big, julcy booty? Who cares about my brown eyes when Ariana's baby blues are upon them, so bright they glow?

Bailey's pussy looks like a flower-mine looks like a...pussy. Ashley's double Ds make me feel like a boy. And Lucy's dazzling smile would make me frown if_if_

If not for you guys. You like all kinds of girls-short, tall, skinny, curvy, flat, stacked. With BARELY LEGAL, there's someone for everyone-and I just might be your someone. :)

Dearest Lily Ivy,

I am an older (gentie) men, a combet veteran quite willing to celebrate the anticipated victory of ganing possession of a truly worthwhile trophy. Your pictorial in BARELY LEGAL, displayed a fabulous face and fantastic figure; the accompanying comments described a young woman who is open, horiest, and passionate in her attitude toward life. Remarkable in

I sincerely wish you bonne chance, and fervently look forward to sharing the joy of having the treasure you will hopefully bestow upon me

Most sincerely, George Cain Pennsylvania

Dear gorgeous, sexy Emma.

It has been my personal experience that most women want a caveman in the bedroom and a gentleman outside the bedroom. The the type to be a gentleman both in and out of the bedroom, I'm curious as to which type of guy you like, Emma

if I was lucky enough to meet you in person. I wouldn't be able to talk, due to getting lost in those gorgeous ayes of yours. I am a big fan of gale who have a nice halfy pussy like you do. Normally gale with armpit hair don't turn me on, but you make it look pretty sexy Plus, if you don't mind my saying, you look really sexy mit white shirt and yellow skirt.)

If I was lucky enough to win your panties, it would be nice if they were delivered by you personally I would invite you into my bedroom, where we would start kissing each other all over, then I would kiss, nibble, and lick your neck

After that I would kiss you gently from your feet up to those sary thighs of yours. Then I would lick, eat, and play with that seary, hairy pussy Which I wouldn't stop doir II you asked me to, Emma. .) Once I've made you explode three to five times, you turn over on your hands and knees and beg me to pound your pussy.

Next we fuck in the missionary position till you come once more and I come inside that nice, tight pussy Afterwards we shower together, get dressed. and you thank me for a wonderful time, then leave.

I know the above fantasy won't come true, but if I win your panties. Emma, they will help me think of that fantasy while looking at your photo-set and sniffing those sexy penties of vours..)

Hugs & kisses. A.M. illinois

Dear BARELY LEGAL staff.

Thank you for continuing to publish When the president gave his State of the Union address. I thought that he spoke a lot to how transformative technology has been, from big-scale aconomy down to interpersonal relationships and communication.) then thought of print media, and of course

when I think of print think of Hustler and BARELY LEGAL Hardcore XXX online is unabashed as well as ultimately

nothing to the imagination Nothing, I always look for the good pics anyways.

Your publication reads very open, personable, and friendly, I fove all of the interviews. Audrey Hollday in March, she was so beautiful; what a great smile pretty face, and her centerfold-gorgeous pussy! I mean there are attractive vaginas, and then there are girls like Audrey. She is a young teen fantasy of a men left out in the cold with a perfect, tight, inviting body That's about as good as good gets, in my opinion

Those photo spreads did more for me and made me feel better than watching the equivalent oirl bent over online being mistreated for the same profits think the picture's a better fantasy. Thank you, Hustler and BARELY LEGAL, for continuing to uphold what I believe actually makes women beautiful.

A.M.C. Virginia

A.M.C., you totally made my day! I love print too but letely I've been wondering, Am I too old-

fushioned? But then I read your letter and it reminded me that aids looking beautiful in great photos on nice paper will never go out of fashion. Thank you for writina! -xxx Lindsey

VMD California

my first time

a BARELY LEGAL confession by cindy ellen mcelhenney

PHOTOGRAPHY BY DAVE NAZ

ello! My name is Cindy. I've read a lot of these confessions from other BARELY LEGAL, girls, and they're always so sad.

Well, sorry if this is boring, but my story is happy! I hope you enjoy it!

I go to an all-girl Catholic boarding school My parents sent me here because I am very pretty and they didn't want me to be around horny teenage boys all day and accidentally get pregnant or have fun.

One morning my best friend Caitlyn and I were in my dorm room. She was between my legs licking my pussy and had a finger up my butthole. Caitlyn is excellent at cunnilingus, but I felt uneasy as I twisted on her tongue it suddenly hit me that I was I8 and a half and had only had sex with official. Came, then burst into least the hours with control of the cont

"What's wrong?" Caltivn asked, all distressed

"I'm a lesblan!" I wailed I patted my long blond hair "I don't want a mullet."

Callyn tried to comfort me, but I ran from her roaming lezzle fingers and hopped the school fence. I walked along the woodsy back road in despair Soon I would stop shaving my pits and start wearing shapeless flannel shirts—or worse, a hebit.

A sound like a machine gun shook me from my thoughts of suicide

"Are you lost, miss?" asked a bearded blond guy, pulling up beside me on his motorcycle.

"No." I bawled. "I'm a dyke."

"You mean, you have sex with girls?" he blurted. I waited for him to flee in disgust, but instead he turned off the ignition.

"With one girl," I sniffed.
"What does she look like?" he asked, kind of gurgling. He was

very curious

"Like me, sort of," I shrugged. "Only with bigger boobs."

"Fuck!" he velled, grabbing his crotch, I looked at his hand. It was shielding a huge bulge in his leans.

"You mean that turns you on?" I squeaked.

"You turn me on, you dirty little bitch."

I had given a guy an erection! That proved well it didn't prove

anything, yet I had to keep going Right by the side of the road, I knelt in the dirt and vanked his penis out, like I knew what I was doing. But as I grasped it in

my hand, I thought, Now what? Luckily, the stranger was very impatient. (Meni) He grabbed

his thing from me and tapped it against my lips

"Suck it, you little slut."

He actually believed I was a slut! Time to act like one. I shaved his whole boner in my mouth and sucked like he told me. He moaned, just like Caltlyn does when I eat her out. That's when I realized, a penis is basically a giant clitty!

Now I knew exactly what to do. As I sucked, I made loud humming noises. (Cartlyn loves when I do vibrations on her.) He moaned louder My hands were free, so I tried squeezing his testicles with one and slid the other between his butt cheeks. That did something! He grabbed two fistfuls of my hair and

pulled my face in, practically choking me on his boner I coughed and gagged as he humped my mouth, but I kept sucking and squeezing and humming.

Suddenly he pulled his peen out. Oh, no! Was I doing a bad job? Could be tell I wasn't really a slut?

Nopel .) He pulled me up, spun me around, and bent me over

the sest of his motorcycle. I heard him spitting then I felt rough fingers vanking my panties aside and parting my pussy lins

This was it-the most important moment of my life! I closed my eyes and took a deep breath. My whole body was clenched. His penis touched the outside of my coochie hole, then slowly pressed itself in

It felt good! Seriously, it felt almost as good as when Caitlyn uses three fingers on me

Het my breath out in a big ouff and felt my body loosen. His peen slid deeper into my pussy, filling me up until I was stuffed

'Is this what you want?" he growled. "Yes!"

I really did! I shoved my butt back to meet him, and we slammed our parts together, over and over I was just getting the hang of it when he pulled his penis out of me again. He flipped me around and aimed at my face. Hot, gooey stuff splattered all over my cheeks and dripped off my chin He totally came! Recause of mel

"Thank you!" I cried

I jumped up and practically flew all the way back to school, feeling like a giant weight had been lifted off me. So, the happy ending is-i'm straight! And Caltiyn doesn't mind, 'cause she loves straight girls. *
